Canadian Amateur Swimming Association (Manitoba Section)

The Canadian Amateur Swimming Association (Manitoba Section) extends to both Judy Moss and Phyllis Dewar their heartiest greetings and congratulations on their prowess in British Empire Games. This section is justly proud of the distinction conferred on the West, and believes that swimming and diving in this part of the Dominion will receive an impetus thereby, which will carry us on to 1936 Olympics.

JUDY MOSS

Miss Moss was born in Winnipeg on June 7th, 1916. She had distinguished forebears, her paternal grandfather being the late Chief Justice Thos. Moss, of Ontario, whilst the late Jerry Robinson was Judy's grandfather on her mother's side. Judy learnt to swim at the age of 4 and commenced to dive when she was 6 years old. Much of her early interest in diving was fostered by Arthur Harvey, who gave Judy considerable help in those early days, and the good work was carried on by the Winter Club Swimming Section.

Some of Judy's Honors

Holder of Winter Club Diving title; Manitoba Spring Board title, 1932 and 1934; Canadian Spring Board title, 1934. Sent to British Empire Trials at Hamilton in July of this year, placing second, and although not chosen for team, she was sent to England by those who had faith in her. At Wembley, Judy placed first, earning the title of British Empire Spring Board Champion. Winnipeg is justly proud of this performance of a local girl.

PHYLLIS DEWAR

Miss Dewar is a member of the Moose Jaw Aquatic Club, and Winnipeg fans first had the chance of seeing her flash through the water last May at the Sherbrooke Baths when she won the Canadian 100 Yards F.S. title. Her style on this occasion was very impressive, and it was no surprise when Phyllis lowered Canadian records in the British Empire trials at Hamilton in July last.

At Wembley, competing with the Canadian team in the British Empire Games, the "sensational Moose Jaw Flash", as Phyllis is often styled, covered herself and Canada with glory. What an achievement! First place in 100 yards and 440 yards F.S. events and anchor on two victorious relay teams. Winnipeg is proud of the honor conferred on the West by the amazing performance of Phyllis Dewar.
